Air

Faucets

Air

Air presenta un diseño diferenciador. Su cuerpo cilíndrico se une con el caño rectangular en un encuentro único. Su maneta ultra-slim le aporta un carácter ligero que no deja indiferente. Disponible en cromo brillo y negro mate para monomandos de lavabo, bidé y grifería borde bañera.

Air presents a distinctive design. Its cylindrical body joins the rectangular pipe in a unique encounter. Its ultra-slim handle adds a slight character that does not leave you indifferent. Available in bright chrome and matt black for mixer wash basin, bidet and bath edge fittings.

Air présente un design différencié. Son corps cylindrique se joint au bec rectangulaire dans une combinaison unique. Sa poignée ultra-mince lui apporte un caractère léger qui ne laisse pas indifférent. Disponible en chrome éclatant et noir mat pour les mitigeurs d'évier, de bidet et du robinet de bord de baignoire.

Know-how

Empleamos materias primas de altas especificaciones que transformamos con tecnología de última generación, para ofrecer un producto que resume lo mejor de lo que somos: Calidad, Eficacia, Servicio con un diseño democrático a la vez que honesto.

En Sanycces tenemos la misión de producir productos duraderos y estéticos teniendo en cuenta las necesidades del consumidor.

Nuestro compromiso con la calidad en todos nuestros procesos asegura que cumplimos con la normativa más estricta y las expectativas de nuestros clientes.

Nuestros procesos productivos buscan reducir al máximo los residuos y desechos. Diseñamos nuestros productos y embalajes teniendo en cuenta su impacto en el medioambiente.

We use high specification raw materials that we transform with state-of-the-art technology to offer a product that sums up the best of who we are: Quality, Efficiency, Service with a democratic yet honest design.

At Sanycces we have a mission to produce durable and aesthetically pleasing products with the consumer's needs in mind.

Our commitment to quality in all our processes ensures that we comply with the strictest regulations and the expectations of our customers.

Our production processes aim to minimise waste and residues. We design our products and packaging with their impact on the environment in mind.

Nous utilisons des matières premières de haute qualité que nous transformons à l'aide d'une technologie de pointe pour offrir un produit qui résume le meilleur de ce que nous sommes : qualité, efficacité, service, avec un design démocratique mais honnête.

Chez Sanycces, nous avons pour mission de fabriquer des produits durables et esthétiques en tenant compte des besoins du consommateur.

Notre engagement en faveur de la qualité dans tous nos processus nous permet de respecter les réglementations les plus strictes et les attentes de nos clients.

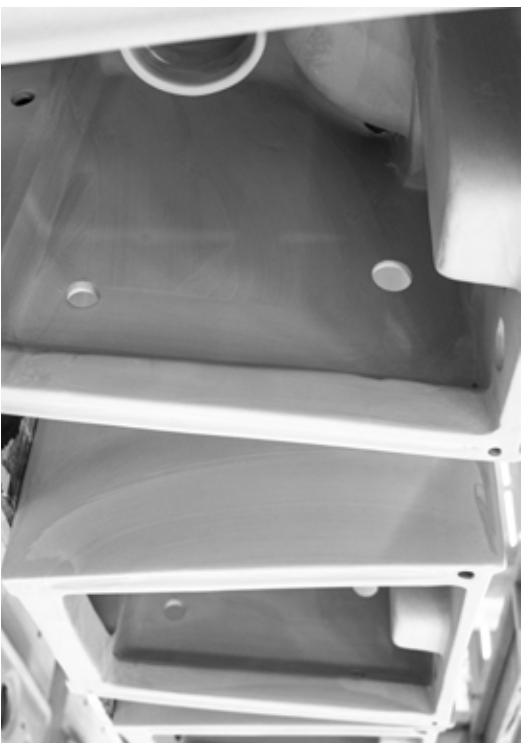

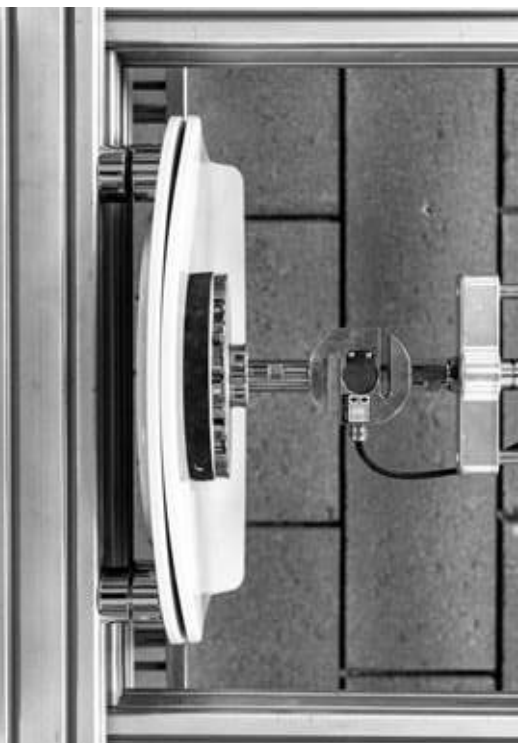

Nos processus de production visent à minimiser les déchets et les résidus. Nous concevons nos produits et nos emballages en tenant compte de leur impact sur l'environnement.

Quality

	Prueba de resistencia El sanitario suspendido se somete a pruebas de resistencia con mas de 400 kg de peso.	Endurance test The suspended toilet is subjected to endurance tests with a weight of more than 400 kg.	Test d'endurance Les toilettes suspendues sont soumises à des tests d'endurance avec un poids de plus de 400 kg.
	Ahorro de agua Los inodoros aseguran una perfecta limpieza con un consumo de 4,5 / 3 litros de agua.	Water saving The toilets ensure perfect cleanliness with a water consumption of 4.5 / 3 litres.	Économie d'eau Les cuvettes assurent une propreté parfaite avec une consommation d'eau de 4,5 / 3 litres.
	Salpicadura Todos los inodoros se someten a pruebas de salpicado de agua.	Splash All toilets are tested for water splash.	Éclaboussures Toutes les cuvettes sont testées pour les projections d'eau.
	Colores Sanitarios esmaltados en su totalidad en tres colores: blanco brillo, blanco mate y negro mate.	Colours The toilets are fully enamelled in three colours: gloss white, matt white and matt black.	Couleurs Les cuvettes sont entièrement émaillées en trois couleurs : blanc brillant, blanc mat et noir mat.
	Higiene Superficies con esmalte cerámico que evita el desarrollo de bacterias.	Hygiene Ceramic enamelled surfaces prevent the growth of bacteria.	Hygiène Les surfaces émaillées en céramique empêchent le développement des bactéries.
	Interior esmaltado Partes interiores 100% esmaltadas para facilitar su limpieza e higiene.	Enamelled interior 100% enamelled interior parts for easy cleaning and hygiene.	Intérieur émaillé Pièces intérieures 100% émaillées pour un nettoyage et une hygiène faciles.
	Asiento y tapa fácil desmontaje Con un sistema de fácil desmontaje del asiento y la tapa se facilitan las tareas de limpieza.	Easy-to-remove seat and lid Easy-to-remove seat and lid for easy cleaning.	Siège et abattant faciles à enlever Siège et abattant faciles à enlever pour un nettoyage aisé.
	Rimless Un inodoro sin brida ofrece superficies más lisas que permiten una limpieza mucho más profunda y fácil.	Rimless A flange-less toilet offers smoother surfaces that allow for much easier and thorough cleaning.	Cuvettes sans bride Les cuvettes sans bride offrent des surfaces plus lisses qui permettent un nettoyage beaucoup plus facile et complet.
	Garantía Los sanitarios cerámicos cuentan con 10 años de garantía. Los asientos con tapa están garantizados 3 años.	Warranty Ceramic toilets are guaranteed for 10 years. The seats with lids are guaranteed for 3 years.	Garantie Les toilettes en céramique sont garanties pendant 10 ans. Les sièges avec abattants sont garantis 3 ans.

Rimless

Los inodoros Sanycces sin brida ofrecen una superficie interior totalmente accesible facilitando la limpieza e higiene a la vez que dificulta el desarrollo de bacterias. Esta característica posibilita alcanzar todas las superficies interiores para hacer más fácil su limpieza.

Esta estructura sin brida permite ahorrar agua. El sistema es totalmente funcional consumiendo 4,5 litros en vez de los 6 necesarios en un inodoro convencional.

Sanycces rimless toilets offer a fully accessible interior surface making cleaning and hygiene easier while making it more difficult for bacteria to grow. It makes it possible to reach all interior surfaces to make cleaning easier.

This rimless structure saves water. The system is fully functional, consuming 4.5 litres instead of the 6 litres needed in a conventional toilet.

Les cuvettes sans bride de Sanycces offrent une surface intérieure entièrement accessible, ce qui facilite le nettoyage et l'hygiène tout en rendant plus difficile le développement des bactéries. Il permet d'atteindre toutes les surfaces intérieures pour faciliter le nettoyage.

Cette structure sans bride permet d'économiser l'eau. Le système est entièrement fonctionnel et consomme 4,5 litres au lieu des 6 litres nécessaires dans des toilettes classiques.

Seat and cover

Easy release

Soft close

Los asientos de inodoro Sanycces proporcionan el máximo confort para la limpieza gracias a su sistema de fácil desmontaje en dos pasos sin herramientas.

Los asientos cuentan con bisagras amortiguadas que facilitan el cierre y lo hacen más silencioso.

Sanycces toilet seats provide maximum cleaning comfort thanks to their easy two-step disassembly system without tools.

The seats have cushioned hinges that make closing easier and quieter.

Les sièges de toilettes Sanycces offrent un confort de nettoyage maximal grâce à leur système de démontage facile en deux étapes et sans outils.

Les sièges sont dotés de charnières amorties qui rendent la fermeture plus facile et plus silencieuse.
